Mid-Term Pay Increase

I am pleased to advise members that the *South Australian Metropolitan Fire Service Enterprise Agreement 2017* was yesterday varied to incorporate the 2% mid-term pay increase.

The increase is operative from 1 July 2018.

Shared Services SA have advised that it will take approximately six weeks for the increase to be paid and of course for back pay to be calculated and paid.

In solidarity

Max Adlam

UFU Secretary
