As a result of the recent Covid lockdown and the fact that your Union Office was unattended for over a week, I have extended the closing of Nominations for those worksites where no member has nominated until the close of business on Thursday 19 August 2021. All members at these worksites are encouraged to consider nominating as your worksite HRS/Shop Steward.

As the number of nominations accepted for this position exceeded the number of positions to be filled a ballot will be conducted.
